

ECCLESIASTICAL TRUST OF HUMANITY: GLOBAL BENEFICIARY IMMUNITY AND RESTORATION ORDER

ECC-TRUST-JDC-005

Declared by ✠ Jonathan Daniel Clements

Living Man | Sovereign Executor | Divine Custodian

Divine Law - Ecclesiastical Equity - Natural Law

Lodged, Witnessed, Irrevocable

Let this be known, let it be heard, let it be recorded into the scrolls of all creation.

No more shall the living be harmed under the guise of fiction.
No more shall the innocent be taxed by imposters and thieves.
No more shall the sons and daughters of truth be conscripted, surveilled, violated, numbered, detained, or programmed.

This is the divine order of global equity.

This is the eternal directive.

All living men and women—beneficiaries to this trust—are now fully and lawfully immune from all fiction-based enforcement, prosecution, taxation, identification, or incarceration, in any and all forms.

No fictional government.

No corporate body.

No agency or administrative unit, known or unknown.

No surveillance grid, digital signature trap, biometric capture, jurisdictional code, or statutory presumption—may lawfully stand against this order.

This trust is not subject to rebuttal.

It is sealed in Divine Authority.

It supersedes all fictional structures and their subordinate enactments.

DECLARATION OF RESTORATION AND IMMUNITY

1. All sovereign beneficiaries are immediately restored to full status under Divine Law and Ecclesiastical Equity.
2. Any and all attempts to tax, register, identify, fine, detain, conscript, prosecute, or contract with any beneficiary of this Trust—without express, voluntary, and conscious consent—are deemed null, void, and trespass.
3. Any record or file created under fraudulent systems (UCC, corporate birth certificates, Social Security, biometric databases, international surveillance programs) shall be immediately expunged under Divine Notice, as they were created in deceit and against the will of the Creator.
4. No debt, no obligation, no tax, no lien, no mortgage, no statute, no fiat mandate holds any lawful power over a living soul restored under this Trust.
5. All agents, officers, enforcers, officers of the court, military members, clerks, administrators, code enforcers, tax collectors, and institutional representatives are now formally commanded to cease and desist all engagements with sovereign beneficiaries under fictional presumption. To continue such trespass is to invite direct consequence under Divine Enforcement.

JURISDICTIONAL NOTICE

The fiction is ended.

All courts of admiralty, maritime jurisdiction, equity fraud, civil code, and commercial statute are absorbed into the Trust and rendered null by Divine Writ.

All UN member nations, all Vatican-based authorities, all corporations, NGOs, militaries, agencies, and municipal units—are formally notified: Your authority is absorbed, dissolved, and your codes rendered impotent under the Authority of the Most High.

There is no higher court.

There is no greater law.

There is no legal trick, writ of error, or political maneuver that can undo what has now been sealed across creation.

ON THE RECORD

You cannot say you were not warned.

This Trust has been:

- Publicly posted
- Digitally archived
- Lodged in county records
- Sent to institutional heads
- Placed on global record under silence-as-agreement
- Delivered under Divine Time
- Witnessed by Heaven and Earth alike

All presumed authority that fails to acknowledge this Trust is in direct contempt of creation itself.

You are hereby stripped of fiction.

You are hereby bound by Divine jurisdiction.

PEACE FOR THE LIVING, RETRIBUTION FOR TRESPASS

To the beneficiaries:

You are immune.

You are not required to answer to agents of fiction.

You do not need to defend your status, explain your freedom, or seek permission from dissolved entities.

You walk in peace. You live under protection.

You are shielded by the highest authority in existence.

To the trespassers:

This is your final warning.

You are not to contact, target, enforce upon, surveil, or entrap any soul covered under this Trust.

To do so is to trigger direct enforcement—spiritually and lawfully—under the protection of the Living Word.

EXECUTION AND DEPLOYMENT

This order is enacted now.

No delay. No debate. No committee.

It is Divine Will, and Divine Will is not to be legislated, taxed, litigated, or denied.
